

## Test Drive - User Guide

### 1 - Register online to use our FREE Test Drive facility!

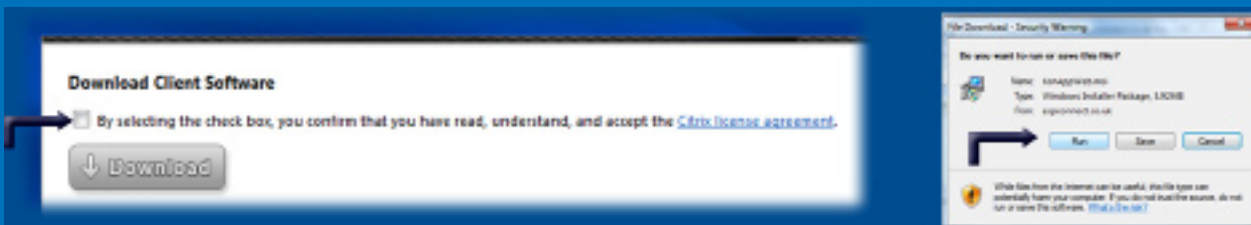

- Go to [www.thintech.co.uk](http://www.thintech.co.uk), click 'Test Drive' and complete the registration form.
- We will email you back with a unique username and password once your details have been verified!

### 2 - Now What do I do?

- Go to [www.thintech.co.uk](http://www.thintech.co.uk) and this time click the 'Test Drive Login' button.
- Enter the username and password that we provided you with.
- **You may be prompted to allow session cookies - see page 2 for instructions**

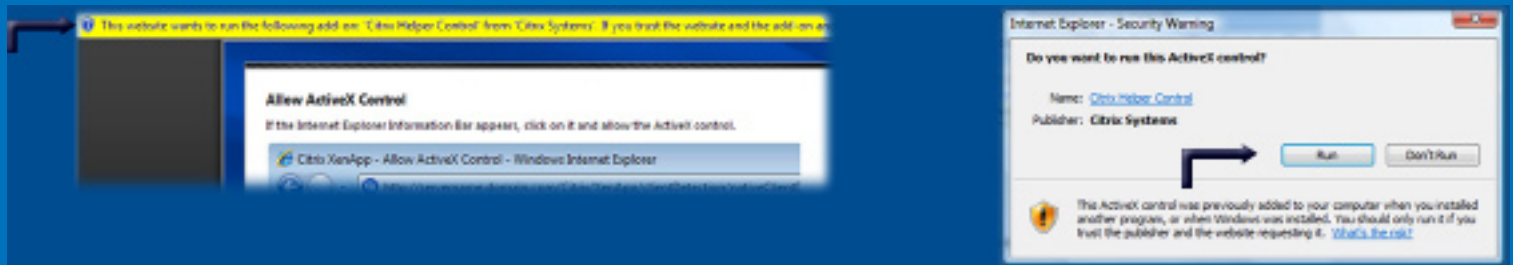

### 3 - Download Client Software

- 'Click the checkbox' to confirm that you accept the Citrix Licence Agreement.
- Click the 'download' button and choose 'run' when prompted.

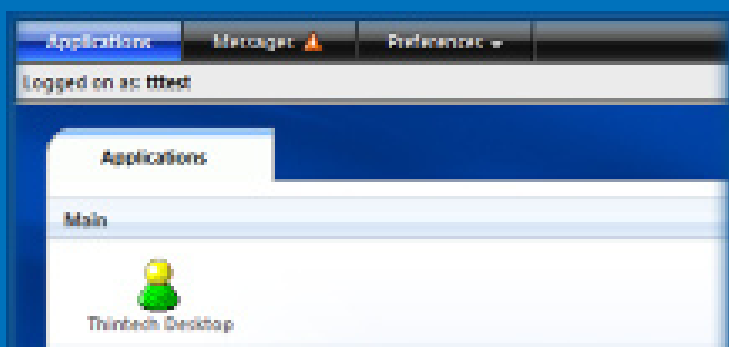

### 4 - Run the ActiveX Add On

- Once the Citrix Software has been installed go back to the web page.
- Click the yellow bar, choose 'run active content' and then click 'run'.

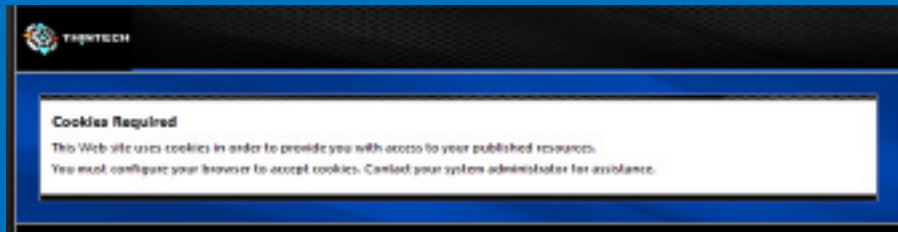

### 5 - Log into the Thintech Virtual Desktop
